3rd March 2014

Dear Parents/Carers

PSHE WEEK

“Taking Care of Myself”

On the week beginning 10th March we are holding a PSHE week. I have attached an overview of the activities which are taking place. All activities will be covered by Pupil Premium Funding as a way of enriching the curriculum and so will be of no cost to you.

Year 5 will be going to Stanley School to do a swimming session and letters will be sent out about this. It is important children in Year 5 have their swimming kit in school on Wednesday 12th March.

Please read the timetable carefully and let us know if there are any activities you would like to know further details about. Your child will participate in all activities allocated to their class unless we hear from you.

Class 1 – Mrs Wright

Class 2 – Mr Campbell

Class 3 – Mrs Tunna

Class 4 (Y5) – Miss Spear

Class 5 (Y5) – Mr Saul

Class 6 (Y6) – Miss O’Brien

Class 7 (Y6) – Mrs Billington

We have an exciting week ahead of us! Photos will go on the school website and the hall will have displays showing work produced in this week.

Please contact myself or Mrs Breeze, the PSHE leader, if you would like further details about the week.

Thanks for your support

Mrs Duncan
